TEXMUN 2019

LEE COLLEGE

Where can I engage in a relevant conversation and collaborate to solve global issues? Where can I strengthen my communication and negotiation skills while I work collaboratively? How do I propose solutions as global leaders do in world forums?

At **TexMUN 2019**, you will have the opportunity to gain all these skills and have those experiences. In each of the committees of the conference, you will engage in interesting debates with delegates from very diverse backgrounds. You will contribute with your proposals and specific action plans to solve world problems.
