Dear Dr. Williams:

On behalf of the Johns Hopkins Alumni Association, it is our privilege to let you know that you have been selected to receive the **Distinguished Alumnus Award**. This prestigious award reflects the gratitude and appreciation we feel toward alumni like you who exemplify the Johns Hopkins tradition of excellence through their personal accomplishments, professional achievement or humanitarian service.

As you know, Johns Hopkins is a community that fosters bold ideas and pathbreaking research driven by excellence and ingenuity. From our laboratories to our classrooms, in the work of our faculty across disciplines from medicine and public health to international studies and philosophy, Johns Hopkins is marshaling its expertise to make a meaningful impact on the world – and our alumni are integral to our mission.

The celebration of your award will take place on two occasions. Kasia Batorski, director of constituent engagement, SAIS, will be in touch with you regarding the presentation of your award at SAIS. The Alumni Council will also invite you and a guest to a dinner this fall where you will be recognized with other award recipients; more details will follow.

We offer you our congratulations and thank you for your many contributions to Johns Hopkins University.

Sincerely,

Ronald J. Daniels
President
Johns Hopkins University
